BOOK OF LINGERIE FLASHBACK

NOV/DEC 1988

BOLs were still in their infancy back in '88. Heavily dependent then on big brother PLAYBOY's stable of beauties, we showcased some of the most popular Playmates of the decade in this issue: Barbara Edwards, Julie McCullough, Devin DeVasquez, Brandi Brandt, Kym Paige, Venice Kong, Shannon Tweed and Pia Reyes, among others. Cover girl and August '85 Playmate Cher Butler (left and right) did the LA thing for a while, but she eventually returned to school to get her masters degree in English. If you like what you see, you can order this—and other back issues—online at www.playboystore.com.

AMY RUSSO Listen up. Our cover girl has some special advice for men. "I'd like to remind them how important chivalry still is. Women love to be treated like ladies, so being chivalrous will definitely earn you extra points." Vital stats: 5'6", 115 lbs., 35-23-36. *George Georgiou, 1, 4, 5, 6, 7.*

NICOLE ZANE Despite heading to a pool hall every night ("I love the game and I'm getting pretty good at it"), Nicole remains on the dean's list. She's studying American sign language in order to become an interpreter. Vital stats: 5'5", 110 lbs., 34-24-34. *Gen Nishino, 8, 9, 10-11.*

HELLE BECH NYGAARD Making her first SE appearance, this Danish-born beauty moved to London to take advantage of the modeling opportunities there. *Byron Newman, 12-13.*

TERRY CALIFF Terry's dating tips: Don't be too loud, don't make rude comments, don't gossip, don't talk about exes. But always open doors, pull out chairs, show a sense of humor, use a good cologne and smile. Vital stats: 5'2", 103 lbs., 34-23-34. *Ric Moore, 14, 15.*

MELODY TANNER While growing up, Melody was "wild and carefree," and her independent streak remains strong. "I'm very direct, so I never wait to be approached. If I like a guy I just go up and introduce myself." Vital stats: 5'7", 123 lbs., 34-22-34. *Ric Moore, 16, 17.*

SARA MARIE MITRY Outgoing, social, confident and determined, Sara hopes to be a "positive role model in my community" some day. Meanwhile, her immediate goals are to "make Centerfold, be Playmate of the Year, go to a Mansion party and meet Hef." Pause. "Jeez, I'll stop. I sound like a groupie!" Vital stats: 5'5", 110 lbs., 34-24-34. *Stephen Wayda, 18, 19.*

MELISSA BATS Men, she says, can sometimes do things on purpose to impress her, and that's a major turnoff. But then, "I've sometimes made the mistake of telling them what impresses me, so instead of just being themselves, they're jumping through hoops and acting dopey to score points." Vital stats: 5'8", 127 lbs., 34-23-34. *Mizuno, 20, 21.*

PENNY PHANG She claims nothing about men confuses her. "I accept them for what they are. Either learn to love them or live without them." Vital stats: 5'3", 108 lbs., 34-25-34. *Mizuno, 22-23.*

ALEX WOODS Favorite fantasy: "To have sex while jumping out of an airplane." Favorite perfume: "Very Valentino." Last New Year's resolution: "To stop smoking." Did she keep it? "Sometimes." Vital stats: 5'8", 108 lbs., 34-26-36. *Byron Newman, 24-25, 26-27.*

CATHI O'MALLEY Her prowess as a diving champ has earned her numerous athletics awards, but she's also set her sights on making a splash in showbiz (she's already tested the water in *Urban Ground Squirrels*). In the unlikely event that she flops in Hollywood she can always head back to the pool to coach. Vital stats: 5'7", 110 lbs., 34-23-34. *Jeff Stella, 28, 29.*

ELIZABETH JO ANNE Born to a privileged family ("they're DuPonts and McCormicks, as in the spice McCormicks"), Elizabeth is determined to make a name for herself—by herself. She's singing country music, appearing in HBO films and modeling swimwear. *Gen Nishino, 30-31, 32, 33.*

SONJA STONE Her psychology studies leave her little time to play, but when she has the chance she dashes for the dance floor—"Salsa, Latin, ballroom, techno"—or takes her Boston terrier for a long walk. Vital stats: 5'1", 105 lbs., 34-23-34. *Mizuno, 34, 35, 36-37.*

RENEE STROMBLAD She makes her home in a Chicago suburb, so her decision to pose for us was an easy one, at least from a logistical point of view. *Jeff Stella, 38, 39.*

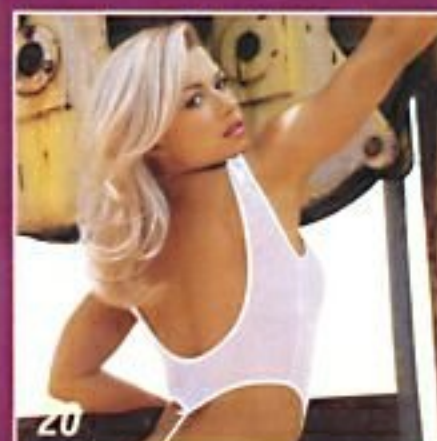

DANELLE FOLTA Becoming a Playmate didn't surprise anyone in her family. "When I was five, my sister predicted I'd be a Playmate because I was always streaking. To me, naked is good, and it's personally satisfying to express myself in photographs." *David Rams, 40-41, 42-43.*

KELLE MARIE Another SE first-timer, Kelle lives in the English countryside and commutes into London for her increasingly frequent modeling assignments. *Byron Newman, 44, 45.*

SACHA STARR Here's what you can count on if you're out on a date with Sacha: "I always get the man to pay." She's turned off by "slobbering kisses" but is a sucker for having her ears touched. Vital stats: 5'3", 106 lbs., 32-23-33. *Byron Newman, 52-53.*

GRACE DE LA ROSA She finds it ironic that men like to look at beautiful women yet don't understand why their girlfriends take hours putting on makeup and fixing their hair. "We do it because we want you to look at us!" Vital stats: 5'1", 100 lbs., 34-24-33. *Jarmo Pohjaniemi, 54, 55.*

SAMANTHA SPEER She was the March/April 2000 BOL cover girl. *Jeff Stella, 56, 57.*

CHERA LEIGH Her debut in *Sexy Girls in Sports* prompted an outpouring of fan mail, and though her accomplishments as an in-line speed skating champ are awesome, she's considering taking modeling to the finish line. "I'm single, young and ready to explore," Chera says. "If opportunity arises, I'll take it and run." Vital stats: 5'6", 125 lbs., 34-24-36. *Jerry Metelles, 58, 59.*

JAMELAH ASMAR You're not going to get a second date with this London model if you "spit, eat with your mouth open or burp." But if you mind your manners, are tall, dark, fit, funny and caring, you stand a chance. Vital stats: 5'6", 112 lbs., 34-24-33. *Byron Newman, 60, 61, 62-63.*

TIFFANY TAYLOR Her comfort with handguns began in childhood. In fact, Tiffany's been known to accept a date with a guy who asked her to go shooting over one who invited her to a swank restaurant. "It wouldn't work for every girl," she admitted, "but considering my background, it was a perfect way to get me interested." *Gen Nishino, 64, 65, 66-67.*

CYNTHIA KAYE A Cynthia sampler: Scent of choice? Allure. Sport to play? Soccer. To watch: Football. Goal? To own a restaurant. Favorite movie? *The Matrix*. Sexy male traits? Guys who are funny and who open doors. Motto? "It's not Christmas every day." *Gen Nishino, 68, 69.*

SUZY MCCOPPIN OK, we think Suzy had her tongue wedged firmly in her cheek when she gave us these answers: Career goals? "To get a job." Your ideal man? "Horny." Turnoff? "Homicidal mania." A male dating boo-boo? "Bringing coupons." What confuses you about men? "Ear hair." Personal accomplishment? "Learning to read." How should a man approach you? "Wave large bills." Vital stats (we think these are real): 5'5", 112 lbs., 34-23-33. *Gen Nishino, 70, 71.*

SYLVIA KELLY She's back at school hitting the books now, but Sylvia and Katalina Verdin's exploits at the Sturgis, SD, motorcycle jamboree were documented for our Website and the results were posted in September. If you missed them then, don't worry—they're archived and can still be viewed in Playboy's Cyber Club. *Gen Nishino, 72, 73, 74-75.*

ANGELA TAYLOR Her childhood, she says, was less than ideal. "At first I was good at school, but I wasn't popular or very pretty. In high school I became very rebellious, but my looks did a one-eighty, and suddenly I had boyfriends all over the place. Which meant, of course, that my grades took a dive. Things have finally evened out." *Byron Newman, 76, 77.*

REBECCA SCOTT Singing and songwriting are where she sees her career headed, but for now Rebecca's happy modeling and doing Playboy promotions. "I always wanted to work with Playboy. I'm totally comfortable nude, am even something of an exhibitionist. Some of my boyfriends have taken nude photos of me and the experiences were total turn-ons. Playboy was the obvious next step." Vital stats: 5'8", 145 lbs., 38-28-38. *Mizuno, 78, 79.*

REBEKAH TEASDALE Her initial appearance in May/June's BOL drew such immediate excitement that we've featured her twice since. *Byron Newman, 80, 81, 82-83.*

CARLA PIVONSKI Creative parents whet her appetite for artistic expression, and Carla would love to find herself on top of the fashion design business someday. A perfect date would include an evening at the opera, followed by dining and dancing. She admits, though, that she could be just as happy stranded on a deserted tropical beach "without much to do but lie in the sun all day and make love." Vital stats: 5'7", 105 lbs., 34-24-34. *Gen Nishino, 84-85.*

BRANDI SOMMERVILLE As befitting a born-and-bred Californian, Brandi is happier outdoors than in—especially skiing, hiking, boating, camping, sunbathing or horseback riding. Ideal man? "There is no such creature." Vital stats: 5'9", 115 lbs., 34-24-32. *Phil Shockley, 86, 87.*

MIRIAM GONZALEZ Discovered in the Playmate 2000 search—and featured in Part 2—Miriam makes her third SE appearance of the year. *George Georgiou, 88, 89, 90-91.*
